

7-4

Post-Surveying Team

Congratulations!

You have completed your action plan.

Give yourself a pat on the back.

One last thing you must do is post-survey the team.

Objective

In this task, you will take the same survey you took in Task 1-3, and compare your answers between the two surveys. The objective is to look at how your ideas about the questions may have changed or remained the same since you started working on your research.

1. Go to the Task 1-3 folder to get the survey you took in Task 1-3. Use the same version (Mosquito A or Mosquito B) of the survey the team used for the team survey in Task 1-3. 
2. Each team member should complete the survey again.
3. Compare and contrast the team's answers to the surveys between Task 1-3 and Task 7-4.
4. Identify any questions where your answers have changed. Why do you think your answers changed from Task 1-3 to Task 7-4?
5. Identify any questions where your answers have not changed. Why do you think your answers have not changed from Task 1-3 to Task 7-4?
6. How could this information be useful when thinking about the problem question: *How can we ensure health for all from mosquito-borne diseases?*

Hooray! You completed Task 7-4. Check it off the task list. *Go to Task 7-5!*
